

## **Remy wins prestigious Autolia Supplier Award in the category Prize of the Jury**

Nicolas Guillerm, Remy Brand, BPI Group Europe; Marc Muenster, Vice President Sales, BPI Group Europe; André Brutinel, President- CEO, Autolia Group; Olivier Monassa, Remy Brand, BPI Group Europe; Philippe Paillet, Purchasing Manager, Autolia

Remy has won the leading **'Autolia Supplier of the Year Award'** 2018. For the Award, Autolia assesses all its 105 participating suppliers on the basis of various criteria and core values, including independence, information sharing, involvement, proactivity and collaboration.

Remy received the award thanks to the excellent cooperation between the French sales team and the purchasing department of Autolia, the continuous improvement of service to customers, long-term cooperation, visibility and faith in Autolia as a partner. In addition, Autolia, a member of the international purchasing group Temot, praised Remy for the extensive product range specified for each wholesaler.

Autolia consists of the wholesalers Agra, Flauraud, TF and TVI and is the third largest purchasing group of car parts in France. The turnover amounts to 750 million euros, 3,500 people work at 440 locations that supply 420,000 products to more than 500 workshops.
