BPI Group Europe Formed to Expand Remy Brand in European and Middle Eastern Markets

McHenry, Illinois, USA – August 8, 2017 – Following its acquisition of the North American and European light vehicle aftermarket business of Remy, Inc. (“Remy”) from BorgWarner Inc., BPI Holdings, with its extensive automotive history, recently formed BPI Group Europe.

BPI Group Europe is the merging of Remy Europe and Brake Parts Inc. Europe. To meet the growing needs of its customers in the European and Middle Eastern markets, the new organization will continue to supply premium Remy brand parts and has plans to expand the well-known brand with new product offerings.

“The formation of BPI Group Europe gives us the opportunity to better serve our growing customer base by providing them with premium quality products that leverage the century-long legacy of innovation and leadership of the Remy brand and the aftermarket technology, engineering and manufacturing expertise of BPI,” said Zoltán Király, president and executive director, BPI Group Europe. “While the company’s name has changed, our customers can continue to count on the trusted Remy brand now and in the future.”

About BPI Group Europe

BPI Group Europe is one of the driving forces of the world’s automotive industry, specializing in the production and refurbishment of premium automotive parts under the Remy brand name. With more than 120 years of experience and knowledge, the company manufactures and remanufacturers premium automotive parts, making it a global leader in the automotive aftermarket.
