

BPI Group Europe Receives Prestigious Visit on Opening Day of Automechanika Dubai

Dubai, U.A.E. – May 7, 2018 – BPI Group Europe exhibited at the 16th edition of Automechanika Dubai May 1 through May 3. Among the many visitors to the booth, was His Excellency Mattar Al Tayer, the Director General and Chairman of the Board of Executive Directors at Dubai’s Roads and Transport Authority (RTA). His Excellency opened the show on Tuesday, May 1, stopping to visit with a few exhibitors. BPI Group was most honored to be selected.

Automechanika Dubai is the largest international trade show for the automotive service industry in the Middle East and Africa (MEA) region and holds great importance in the growing global market. BPI Group Europe showcased its two automotive brands, Remy and Raybestos, focusing on quality, and availability of its expanding world-class products and global commitment.
